SINCE 1818
DEXTER®
The Right Knife

. . . The right knife for the right job

High quality craftsmanship has been a Russell Harrington tradition for 150 years. The precision, manufactured DEXTER line has long been recognized as the finest used in the food service industry from coast to coast. There's a perfectly balanced DEXTER for every kitchen use — for fast, accurate, and economical cutting.

DEXTER cutlery is made from the finest high carbon and high carbon stainless steel and offers you the best and longest wearing edge qualities available. For the most complete line of quality cutlery, DEXTER can't be matched. Order from your DEXTER dealer today.
